## Itinerary: 2days guided tour/1night desert camp

### Day 01 : Overnight Camping in White Desert or black desert & Dinner Under the Stars:

You will depart from Cairo at 07:00 for the 4-hour drive to the [El Bahariya Oasis](#). Here you will change vehicle and jump on a 4X4 jeep for a thrilling ride along rugged roads to the incredible [White Desert](#) with a stop at the cold spring for you to swim in cold sulfuric water. This unique landscape is set in a depression, and its intriguing aspect is the result of the chalk rock formations caused by sandstorms and the chalk deposits that settle on the ground.

You will also visit the [Black desert](#) where the sand is caked with a gold and black crust. Nestled between the two deserts, the start of [Crystal Mountain](#) offers yet more wondrous sights and is best known for its quartz crystals. Arriving at camp you will find spacious well-ventilated dome tents equipped with mattresses, blankets, sleeping bags and bed sheets. Enjoy a delicious dinner before retiring for a night beneath the stars.

### Day 02: El Bahariya Oasis, Magic lake and the English Mountain:

After a delightful breakfast in the [White Desert](#) or [black desert](#) you will return to [El Bahariya Oasis](#) for a tour of the city that has been home to Bedouin tribes for centuries. Visit the [English mountain](#) to have a satellite overview of the [Magic lake](#) and Bawiti town of the capital of Bahariya oasis with all Bahariya oasis features atop the English mountain,

You will have the services of an expert Egyptologist guide to answer all of your questions and

#### A few good to know tips

- ✓ I recommend wearing loose and comfortable clothes. As for shoes try wear wearing a pair of flip flops or flat sandals. The sand gets in everywhere.
- ✓ Don't forget your scarf, hat and sunglasses.
- ✓ If you're going between September and Feb, nights are cold, so dress accordantly by bringing an extra layer to bundle up.
- ✓ Do not eat anything right before dune bashing.
- ✓ Try to secure the front passenger seat for a magical view of the dunes.
- ✓ This is a choice, but tipping your driver is always a good idea if they did a good job.
- ✓ I do not recommend bringing your nice and expensive camera to the desert, unless you have a good place to secure it. Sand gets into everything. A phone such as the Samsung Note 5 or Galaxy Edge 7 are better options.
