A few good to know tips

- ✓ I recommend wearing loose and comfortable clothes. As for shoes try wear wearing a pair of flip flops or flat sandals. The sand gets in everywhere.
- ✓ Don't forget your scarf, hat and sunglasses.
- ✓ If you're going between September and Feb, nights are cold, so dress accordingly by bringing an extra layer to bundle up.
- ✓ Do not eat anything right before dune bashing.
- ✓ This is a choice, but tipping your driver is always a good idea if they did a good job.
- ✓ I do not recommend bringing your nice and expensive camera to the desert, unless you have a good place to secure it. Sand gets into everything. A phone such as the Samsung Note 5 or Galaxy Edge 7 are better options.
- ✓ Because of the heat stay away from heavy make up.
- ✓ Using some sunscreen before your departure is always a good idea.
- ✓ Please bring the following items with you: passport or ID, comfortable clothing, swim suit, hat, sun glasses, sun protection, a scarf, camera and/or video camera, wet wipes, toilet paper, snacks, Medicine and a spirit of adventure.
- ✓ This tour is flexible and can be adjusted to your interests and requirements the tour takes approximately two days.

Remember, we are very happy to answer any question you may have before trip starts.
